

DU 19 AU 21 MAI 2018 - SAINTES

CHAMPIONNATS DU MONDE & DE FRANCE DE CYCLISME SAPEURS-POMPIERS

www.sdis17.fr

Article 1 - ORGANIZATION:

The Departmental Service (SDIS 17) and the Departmental Union (UDSP 17) of the Fire Department of Charente-Maritime organize:

- the 18th French Championship and the 15th World Time Trial Championship "CLM" and
- the 37th French Championship and the 33rd World Championship of Online Racing "CEL"

firefighters who will take place in Saintes on 19, 20 and 21 May 2018.

These firefighter cycling championships are placed under the aegis of the National Federation of Firefighters of France (FNSPF), the French Coordination Cycling firefighters (CFCSP), the International Coordination Cycling firefighters (CICSP), with the support of the Departmental Fire and Rescue Service of Charente-Maritime (SDIS 17), the Departmental Union of Fire Brigades of the Charente-Maritime (UDSP 17) and the French and International Federations of Cycling (FFC) and (UCI).

Article 2 - CONDITIONS OF PARTICIPATION:

A - Can participate in the French and World Championships of cycling "against the clock" and "race online" firefighters, all members of the National Federation of Firefighters of France (FNSPF) in active members or associate members. They will also have to be members of their respective Departmental and Regional Unions when they exist and are accessible to them (certificate of the President of Union to join obligatorily).

Members are defined as members, up to date of their subscription, who are:

- active members: volunteer firefighters, professional, military (BSPP, BMPM, UIISC),
- Associate members: former firefighters, young firefighters, firefighters specifically responsible for fire and rescue services in companies and public services, administrative, technical and specialized personnel in fire and rescue services. fire and relief, departmental and regional unions and the federation. The MONACO firefighters can also participate.

A certificate of membership must be drawn up by the President of the Departmental Union, the President of the Regional Union, the President of a sports association (BSPP, BMPM, UIISC) or the President of the FNSPF (copy of the federal map FNSPF).

B - Can participate in the World Championships of cycling "against the clock and race online" of the firefighters the firefighters, active and former SPP and SPV foreign adherents to their national federation (attestation of the head of body to join obligatorily).

C - The number of competitors is unlimited in all the categories of the championships of France and the World of cycling "against the clock" and "race on line" of the firemen, according to the regulation of the French Federation of Cycling (FFC). However, the number of riders is limited to 200 per event.

D - No selection is required to participate. Competitors of all levels can commit themselves on the sole condition of belonging to a departmental body of firefighters, or to their national federation for foreign competitors, since January 1st of the current year.

E - Private Firefighters (Corporate Security Officers) cannot participate.

Attention: All false documents established in order to engage a competitor who is not firefighter or member of its Departmental Union or the National Federation of firefighters of France or a national federation for foreign competitors will lead to prosecution of the perpetrators.

Article 3 - PHYSICAL FITNESS AND INSURANCE

A - Fitness: It is compulsory for competitors competing in the French and World Cycling Championships to have a medical certificate dating back less than one year attesting to their physical fitness to practice the sport. Competitive cycling for unlicensed, or a cycling license with a valid medical certificate.

B - Subscription of the insurance contract: Every competitor must be insured for the bodily and material risks related to the practice of competitive cycling, in accordance with the FFC regulations.

When registering, a certificate of insurance must be produced (commitment of the President of the UDSP or the National Federation for foreign competitors and / or copy of the sports license).

For the organizers: the organizers will be insured by the civil responsibility within the framework of the missions which are allotted to them on the organizational program of the **championships of France and the World of cycling 2018.**

Article 4 - CATEGORIES - COMMITMENTS:

Competitors must commit to represent the UDSP or the National Federation to which they belong.

Categories	Years	Categories	Years
Seniors I from 19 to 30 years	1999 to 1988	Master III from 70 years and over	1948 and before
Seniors II from 31 to 40 years old	1987 to 1978	Females I from 19 to 30 years old	1999 to 1988
Veterans I from 41 to 50 years old	1977 to 1968	Females II aged 31 and over	1987 and before
Veterans II from 51 to 55 years old	1967 to 1963	Juniors H and F 17 and 18 years old	2001 and 2000
Masters I from 56 to 62 years old	1962 to 1956		
Masters II from 63 to 69 years	1955 to 1949		

If in one or more categories the number of entries is less than 5, they will be grouped into one category. For the Juniors H and F categories (17 years old - 18 years old) if the number is less than 5, the competitors who are 18 years old will be grouped in the categories Seniors I for the H and Females I for the F.

It will be forbidden to register the day before and the day of the competitions.

Competitors will be able to consult their commitment with the indication of the bib number, their category, the grid of the schedules of the competitions and the services retained by the competitors on the websites of the UDSP 17 udsp17.org

IMPORTANT: The competitors will be classified by category in their year of birth (calendar year taken into account).

IMPORTANT: In all categories, for the commitment to be recorded by the organizers, (paper file or Internet) the competitors must imperatively constitute a complete registration file consisting of:

- **Copy of the license for the year 2018.**
- **Medical certificate marked "suitable for cycling in competition" dated less than one year for non-licensed. (Without presentation of the medical certificate, the rider will not be able to participate in the competitions)**
- the attestation of the President of the Departmental Union proving the affiliation of the competitor to the FNSPF.
- the attestation of belonging to the fire brigade of the country represented.
- the individual commitment form correctly filled in block capitals.
- the cost of services and reservations form accompanied by payment by check and made payable to the **UDSP17** for the paper files.
- for online registrations the validation will be effective only when the file will be complete.

During the withdrawal of bibs, competitors must provide proof of their identity and date of birth by presenting a national identity card or passport (unauthorized photocopies) and their affiliation with the National Federation of Firefighters. France or the fire brigade of the country represented, by presenting their national card indicating their membership number. **Caution: Any original document that appears to be falsified with respect to the photocopied document attached to the undertaking will result in the immediate elimination of the competitor without any refund of registration fees and other payments made. The complete registration file will be presented to the Disciplinary Committee of the French Cycling Coordination of Firefighters (CFCSP) which will decide on the sanctions to be taken against the offender for firefighters.**

For the categories of Veterans II and Masters III, II and I, the competitors must present a state of service certifying their career in a fire brigade. It is compulsory that their firefighting activity has been conducted at least until the age of 55 for professional firefighters or to have performed a service of at least 15 years for

Volunteer firefighters. Each particular case will be submitted on presentation of a file to the CFCSP which will be able to give a derogation.

Article 5 - ENTRY FEES AND BENEFITS:

A - € 20.00 per participant for the Contre la Montre.

B - € 26.00 per participant for the Online Race.

C - The sports meals on Saturday evening and Sunday evening can be taken on the spot at the price of 12,00 € per meal.

D - A closing musical evening will be organized on Monday evening around regional products at the price of 18.00 €.

E - All requests for commitments must be accompanied by a **check payable to the UDSP17.**

E bis - All online commitment requests must be accompanied by a **transfer to the account of UDSP17.**

Article 7 - BIBS - FRAME PLATES - PINS:

A - At the French and World Cycling Championships " CLM " firefighters, each competitor will have a regulation bib to put in the back fixed with 4 pins and a frame plate to assigned number. These two means of identification must be visible to all the referees.

B - At the French and World Cycling Championships " CEL " firefighters, each competitor will have two regimental bibs that he must put in the back, correctly fixed with pins and a frame plate (CEL) to assigned number. This means of identification must be visible to all referees.

In a race where there are several categories, the competitors will have differentiated bibs to distinguish categories.

C - The three medalists from the previous year will be awarded the first bib numbers in their category of the French cycling championships " against the clock and online race " firefighters. Other competitors will receive a bib number corresponding to the entry number on the date of receipt.

E - The pins are not provided by the organizers.

Article 8 - OBLIGATIONS

A - The wearing of the regulation helmet is obligatory throughout the duration of the cycling championship events including warm-up and cycling dress must comply with the rules of the F.F.C./UCI.

B - The riders must go through the registration room before the start, at the latest 15 minutes before the start time, and submit to the technical control and signatures, otherwise they will not be classified on arrival.

C - The wearing of jerseys and shorts of professional teams, all come out of cameras, transmitter or radio earpiece, compression stockings are prohibited (according to article 10.3.33 of the FFC regulations) Any competitor presenting himself with this type held at the signing will be denied the start by the race referees.

D - In the case of anti-doping control, the riders designated and / or drawn will have to remain at the disposal of the doctor and authorized referees as soon as they cross the finish line.

E - The warm-up on the circuits of the cycling championships is prohibited to all competitors, as stipulated in the rules of the FFC. Any competitor violating this obligation will be disqualified by the referees.

Article 9 RIGHTS OF THE DIRECTOR, JUDGES, COURT ARBITORS AND ORGANIZING COMMITTEE:

A - Rights:

The commitment to the championships of France and the World of cycling against the clock and online race of the Firefighters implies that the competitor has well acquainted with the rules of the organizing committee of the championships of France and the World Cycling of the Sapeurs 2018, the French and International Cycling Federations (FFC / UCI) and the French and International Cycling Coordinators (CFCSP / CICSP) and that it accepts all the clauses. He must therefore sign the entry form and write in it the handwritten

note: **"I declare that I have read the rules"**. The competitor must submit to all the formalities required for the controls before departure and after arrival (protocol ceremony, anti-doping, etc. ...).

B - Sanctions:

The national jury and the race referees are authorized to eliminate any competitor according to the regulations of the FFC / UCI, the FNSPF and the CFCSP / CICSP after deliberation of the national jury panel.

C - Complaint:

Oral grievances will be received by the National Jury Panel of the competition until 15 minutes after the arrival of the winner of each " CLM and CEL " cycling championship of the firefighters. After this period, no claim will be taken into consideration. Any challenged competitor must be heard by the National Jury Panel.

Claims against rankings must be submitted within 15 minutes after the posting of the final results of the competitions.

Any fraudulent action prejudicial to the regularity of the competition or any other reprehensible action will be sanctioned (according to the appreciation of the panel of the national jury, the organizers, representatives of the FFC, and the representative of the FNSPF and the representatives of the CFCSP / CICSP).

Article 10 - SECURITY

A - No escort vehicle (car or motorcycle) will be allowed to circulate on the courses, competitions with the exception of those of the organizers, the police and vehicles accredited by the organization.

B - All intersections and intersections will be protected. The bikers will ensure the safety of the different groups that will form during the competition.

C - As the organizer is not authorized to privatize the use of public roads and other roads, riders must respect the rules of the road.

D - A medical service will be provided during the duration of the championship events.

Article 11 - TROUBLESHOOTING:

A - For the test of the CEL, **two neutral official repair vehicles will be made available to the riders**. No claim may be made to the referees for a delay in troubleshooting. The rider repaired by equipment not belonging to him must return it as soon as the competition is over, on the podium. The first runner (s), the following immediate runner (s) will be repaired first.

B - For the CLM event, competitors may be followed by their own vehicle, accredited by the organization, for their troubleshooting.

Article 12 - ANTI-DOPING CONTROL:

An anti-doping test may be carried out according to the FFC / UCI regulations. In the event of a positive test, the file will be examined by the Disciplinary Committee of the CFCSP / CICSP, which reserves the right to aggravate the penalty or to definitively cancel the riders concerned in the event of a repeat offense. The sanctions pronounced will be notified to the Presidents of the FNSPF and the FFC.

Article 13 - CLASSIFICATIONS:

A - Complete rankings for each French and World cycling championship:

It will be established a complete classification until the last rider. Competitors finishing in the same lap will be timed. Those who have been disqualified will not be ranked. Doubles will be ranked according to when they are exceeded. The ranking of each championship of France and the World is individual, it attributes to the winner the title of Champion of France and / or the World, seniors I and II, veterans I and II, masters I, II and III, juniors H and F , feminine I and II.

For all the categories, it is necessary five engaged having emargés and three newcomers so that the title of Champion of France or World is awarded. The organizers will inform the participants of the number of riders of categories having less than five entered on the UDSP17's websites (udsp17.org) so that each participant can make his decision as to whether or not to participate in the French and World Championships. .

B - Dissemination of rankings:

The rankings must be available on the website of the (CFCSP) www.cfcsp.fr within 72 hours.
